

## Siphelele Khumalo

**Child's Number:** 227-022013  
**Child's Name:** Siphelele Khumalo  
**Gender:** Female  
**Birthday:** 04/19/2010

**Siphelele Khumalo was born in 2010 and lives in Mayaluka Village, about 3 km from Big Bend on the South-Eastern side of Swaziland, an arid and very hot area of the country where the majority of people either rely on subsistence farming to survive or have seasonal work on sugar farms or at the sugar mill. Siphelele's father is alive and is working at Illovo Company but her mother is dead. His total monthly income is €105. There is no welfare or government support for Siphelele. Financially she is supported by her father.**

**Siphelele has 1 brother and 3 sisters: she is the fourth born and is being taken care of by her father. They live in a house made of bricks. Siphelele is a lovely child who likes to dance. Siphelele is in Grade 4 and wants to become a nurse.**

**Siphelele receives a daily nutritious meal, planned by a qualified dietician and prepared by trained cooks, at the Neighbourhood Care Point at Big Bend. These meals enable her to remain healthy and to improve her performance at school. However, there is a shortage of funds to ensure that the orphans and vulnerable children attending the Neighbourhood Care Point can continue having a healthy meal every day.**

## Nomvuyo Mkhonta

**Child's Number:** 227-020001  
**Child's Name:** Nomvuyo Mkhonta  
**Gender:** Female  
**Birthday:** 04/27/2009

Nomvuyo Mkhonta was born in 2009 and lives in the community of Dwaleni, about 10 km from Nhlangano in the southern part of Swaziland, (known as Shiselweni), the poorest and most vulnerable region of the country where the majority of people rely on subsistence farming to survive. Nomvuyo's father is alive but has no stable income and her mother is alive and is a preschool teacher. Their total monthly income is €65. There is no welfare or government support for Nomvuyo. Financially she is supported by her grandfather.

Nomvuyo has 1 brother and no sisters: she is the first born and is being taken care of by her parents. They live in a house made of stick and mud. Nomvuyo is a lovely child who likes playing netball. Nomvuyo is in Grade 5 and wants to become a soldier.

Nomvuyo receives a daily nutritious meal, planned by a qualified dietician and prepared by trained cooks, at the Neighbourhood Care Point at Dwaleni. These meals enable her to remain healthy and to improve her performance at school. However, there is a shortage of funds to ensure that the orphans and vulnerable children attending the Neighbourhood Care Point can continue having a healthy meal every day.

## Mukelo Dlamini

**Child's Number:** 227-021001

**Child's Name:** Mukelo Dlamini

**Gender:** Male

**Birthday:** 06/04/2008

Mukelo Dlamini was born in 2008 and lives in the community of Matsanjeni, about 75 km from Nhlanguano in the southern part of Swaziland, (known as Shiselweni), the poorest and most vulnerable region of the country where the majority of people rely on subsistence farming to survive. Mukelo's father is alive and is working at a factory and his mother is alive and is working at a clothing factory. Their total monthly income is €70. There is no welfare or government support for Mukelo. Financially he is supported by his mother.

Mukelo has 1 brother and 1 sister: he is the second born and is being taken care of by his mother. They live in a house made of bricks. Mukelo is a lovely child who likes playing soccer. Mukelo is in grade 5 and wants to become a policeman.

Mukelo receives a daily nutritious meal, planned by a qualified dietician and prepared by trained cooks, at the Neighbourhood Care Point at Matsanjeni. These meals enable him to remain healthy and to improve his performance at school. However, there is a shortage of funds to ensure that the orphans and vulnerable children attending the Neighbourhood Care Point can continue having a healthy meal every day.

## Nkosinami Tsela

**Child's Number:** 227-025010

**Child's Name:** Nkosinami Tsela

**Gender:** Female

**Birthday:** 02/09/2010

Nkosinami Tsela was born in 2010 and lives at Mbangweni, about 5 km from Nhlanguano on the South Western side of Swaziland, a colder climate area where the majority of people rely on subsistence farming and the forestry industry to survive. Many of the children in this area are orphans. Nkosinami's father is alive and is working in a factory and her mother is alive but has no stable income. Their total monthly income is €105. There is no welfare or government support for Nkosinami. Financially she is supported by her grandmother.

Nkosinami has 4 brothers and no sisters: she is the fourth born and is being taken care of by her mother. They live in a house made of bricks. Nkosinami is a lovely child who likes skipping rope. Nkosinami is in grade 3 and wants to become a nurse.

Nkosinami receives a daily nutritious meal, planned by a qualified dietician and prepared by trained cooks, at the Neighbourhood Care Point at Mbangweni. These meals enable her to remain healthy and to improve her performance at school. However, there is a shortage of funds to ensure that the orphans and vulnerable children attending the Neighbourhood Care Point can continue having a healthy meal every day.
